HEALTH CARE HERO - DR. OWENS

Congratulations to Dr. Ken Owens, founder of Amelia Dental Group, for being awarded a Health Care Hero by the Jacksonville Magazine. Dr. Owens is also being recognized by the Florida Dental Association in June with a Public Service Award. These awards are in recognition of his commitment and service at the Barnabas Dental Clinic during the COVID pandemic, and his years of service in the dental profession.

Thank you to Dr. Owens from all of us!

WELCOME DR. BURTON

We are pleased to announce that as of August 1st Dr. Bethany Burton will be joining Amelia Dental Group. Dr. Burton is a general dentist providing comprehensive dental care for adults and children. Dr. Burton completed her undergraduate degree at Western Kentucky University with a major in Biology and a minor in Chemistry. She received her Doctor of Dental Medicine degree from the University of Kentucky in 2018. Dr. Burton completed a General Practice Residency at Miami Valley Hospital in Dayton, Ohio.

She is certified in IV sedation and is a member of The American Dental Society of Anesthesiology, as well as the American Dental Association. Dr. Burton's Hospital Residency Program and her private practice experience have provided her with excellent skills in oral surgery, dental implants, and complex dentistry. We are thrilled to be adding her to our clinical team here at Amelia Dental Group.

HAPPY 30TH ANNIVERSARY TO OUR PRACTICE ADMINISTRATOR TERESA SPENCE

This year we celebrate with Teresa Spence her 30th year anniversary with Amelia Dental Group. Teresa started as a dental assistant with Dr. Ken Owens, the founder of the practice. The practice has blossomed over the 30 years Teresa has been employed, and so has Teresa. Teresa has been our Practice Administrator for the past 11 years, overseeing the day to day operations of Amelia Dental Group. Teresa is founder of the AADOM Northeast Florida Chapter of the American Academy of Dental Office Management. She also found time this year to participate and help coordinate the weekend COVID vaccination program at her local church. Teresa's dedication and leadership has been a blessing to our practice, our patients and our community.

Thank you Teresa from your ADG family!

LASER TREATMENT AVAILABLE NOW TO TREAT GUM DISEASE

Dr. Kitson is Certified by the Institute of Advanced Laser Dentistry to provide periodontal treatment using the PerioLase Laser. The LANAP procedure "Laser Assisted New Attachment Procedure" has many advantages to treating gum disease, compared to traditional periodontal surgery. For the patient it means no cutting of the gums, no stitches, less pain, less swelling, faster recovery, and the best part it can regenerate bone and tissue damage from gum disease. Controlling periodontal disease with the use of the PerioLase Laser makes it possible to save and restore health to your teeth and gums and prevent tooth loss from gum disease.
